

BrainCoach AI - Performance Report

Child Name: fd

Exercise: Basic Finger Yoga

Date: 2026-06-01 11:52

Session Summary

Average Accuracy: 74.86%

Total Score: 749

AI Recommendation

Based on the hand tracking data, the concentration levels are improving. We recommend continuing with 'Finger Yoga' for another 3 sessions to solidify fine motor control before moving to the next level.
