

BrainCoach AI - Performance Report

Child Name: vini

Exercise: Basic Finger Yoga

Date: 2026-07-06 12:24

Session Summary

Average Accuracy: 75.73%

Total Score: 757

AI Recommendation

Based on the hand tracking data, the concentration levels are improving. We recommend continuing with 'Finger Yoga' for another 3 sessions to solidify fine motor control before moving to the next level.
